TeamKID (Kids in Discipleship) After School Program

This year the theme is **Going Vertical**. Going Vertical is a term many of today's athletes use to indicate they jumped their highest and performed their best. We are using Going Vertical for that sports connection but also to imply the importance of growing closer to God (so a vertical connection) through studying His Word and in fellowship with others. At TeamKID we want kids to recognize their relationship with God is the most important relationship of all!

TeamKID is a fun, high-energy discipleship ministry that encourages kids to know Jesus Christ and to grow in a relationship with Him. That's why TeamKID ends with KID. KID stands for Kids in Discipleship! All parts of TeamKID—Bible stories, mission activities, life application, and recreation games—connect to teach life lessons to kids. We are also involved in numerous mission projects throughout the year to help our community and especially children.

We currently use our church van and bus to pick-up at several schools and also rely on parents to help bring children to TK.

TeamKID will resume Wednesday September 12th for 2018-2019
